A Quick History Of The Pirate Bay

The Pirate Bay (TPB) was founded in 2013 by Gottfrid Svartholm, Fredrik Neij, and Peter Sunde. Its been more than 15 years of service now. TPB holds the rank of the best torrent site in the world.

Like any other torrent sites, the pirate bay torrents also had difficulty facing legal issues in the past. the site has also suffered raids on its server in 2016 and 2013. Pirate Bay also had to switch several domains to stay alive. But nothing has stopped the site to come back again.

However, due to legal pressure and DDoS attacks, TPB has been facing regular downtimes in the recent past.
